MVCC - Mountain Valley Collegiate Conference (1970-Present)

NECC - North Eastern Collegiate Conference (1965-66)

SUJCAC - State University Junior College Athletic Conference (1966-1977)

* Co-Champions ^ Tri-Champions

** The Raiders competed in Division I thru the 1993-94 Season, Division III since.

Note:
Making the Region III Tournament, let alone winning the Championship, was far more difficult prior to the 1990-91 season, when they divided into Divisions 1, 2, and 3. Likewise, it used to be much more difficult to make the Region III All-Star Team.

Also, there used to be many more schools participating, as Region III used to be much larger, including several schools from Downstate NY and NY City (now members of Region XV) and extended as far as Rhode Island. There used to be over 40 schools competing in one Division.

Now, Region III Division 3 has only 16 teams, Division 2 has only 6 teams, and there hasn't been a Division 1 since 1997.

Further, the number of Regions in the NJCAA has increased from 16 in 1948 to 19 in 1968, to 21 in 1976, to 24 in 1983.
